JUST A REMINDER:

the time change is this weekend -
we fall back an hour on Sunday.

As I get older, I realize:

- I talk to myself because I need expert advice.
- My people skills are just fine; it's my tolerance of fools that needs work.
- The biggest lie I tell myself is "I don't need to write it down; I will remember it."

Here's one last thought:

Wouldn't it be great if we could put ourselves in the dryer,
then come out wrinkle free and three sizes smaller?
