At the Annual General Meeting there were 45 members and 3 guests who enjoyed a wonderful supper at the Kakabeka Legion.

There were no elections as no one was interested in becoming a Board Member.

The board will elect the executive at our next meeting in September.

The Centre had two important visitors. Kim Lacroix, Regional Development Advisor/North Region, our local representative for Seniors and Accessibility came on Tuesday June 13th to tour our Centre. She was very impressed with everything and everyone here that day. On Tuesday June 20th Honorable Raymond Cho, Minister for Seniors, and Accessibility along with MPP Kevin Holland came for a tour of the Centre.

The announcement that you saw or heard about was about our regular funding that we get each year for the operating and maintenance of the Centre. **It was not additional funding as some people thought.**

A big Thank you from the Board of Directors to everyone that came out on those days to show what goes on at our Centre. Minister Cho tried disk and a couple of the weavers him let do a couple of rows on the items they were working on. He was very impressed with everything he saw that evening. We expressed our need for expansion as we are getting tight on space.

Thank you to Monique Duval-Lavallee for the excellent job with the newsletter each month. Everyone enjoys your addition of the puzzles, etc. If there is anything you would like to see in the newsletter or have a funny joke, etc. please let us know and we will put it in.

The quilt for the fall raffle is almost finished and tickets Raffle # M861919 are now available at the Centre or from Sharon Corrigan. They will also be available at the O'Connor Strawberry Social on Friday July 7th and at the Slate River Women's Institute Strawberry Social on Thursday July 13th at the Kakabeka Legion and at the Hymers Fall Fair.

The Centre will be going to Summer Hours starting in July, we will be open Tuesday, Wednesday and Thursday for July and August.

**Have a Great Summer
everyone and we will see
you all back in September.**

There was a mistake in the Oliver/Paipoonge News it should have read that the craft room is closed Monday and Friday not Monday to Friday.

Thank You Tanny Dingemane's Grand-Daughter for the donation of a tabletop loom.
