

Hi Everyone

Tired of feeling like a Pawn in the big game of life? Want to get the respect you deserve by becoming a regal King? How about being an all-powerful Queen, who's really in charge, and tells the King what to do?? Wait even better how about becoming the Queen's most secret (sneaky) and favourite Knight? Or maybe show them all the errors of their wicked ways by being an all-powerful Bishop and keep them all in check??

Well, you can be any or all of these characters and write your own story of glory and fame as a member of the Rural 60 Plus Chess Club!

Yes, we're forming a new activity group for members to learn and play the game of Chess (and maybe some Checkers and Backgammon too!)

Watch for a sign-up sheet on the front counter at the Centre and/or drop an email to rural60@tbaytel.net .

No experience necessary!

We'll announce a kick-off meeting as soon as we see if we have enough interest to get things going!

Cheers

Bob MacMaster

Activity Co-ordinator
