After such a successful craft sale I wanted to share this little bit of food for thought which I was fortunate enough to be provided with.

Which Bone are You?

Some said the membership of any organization is made up of four bones:

Wishbones: Who spend all their time wishing somebody else would do the work.

Jawbones: Who do all the talking but very little else.

Knucklebones: Who knocks everything that everybody else does.

And finally.....

Backbones: Who gets the load and does the work.

This past weekend I can say the Centre was full of only backbones. Congratulations to all!

The next luncheon is Friday, November 17th at the Kakabeka Legion from 12:00 Noon to 1:00 p.m.

Please sign up at the Centre by **November 10th** if you want to attend.

The cost is \$5.00 for members and \$15.00 for guests.

Christmas Dinner

Friday, December 8th at the Kakabeka Legion at 1:00 p.m. The cost is \$25.00 and tickets must be purchased before Friday **December 1st** at the Centre; no tickets will be sold at the door.

Menu will be buns, salad, mashed potatoes, turkey, stuffing, gravy, vegetables, perogies and dessert.

We would like to thank Bob McCluskey for making the Centre another Memorial frame, Lloyd Hanton for sanding and finishing and Thunder Bay Glass and Window for donating the glass.

Unfortunately, there will be no painting classes this fall, hopefully we can have classes next year.

Little poppy given to me

Help me keep Canada safe and free

I'll wear a little poppy as read as can be

To show that I remember those who fought for me.

Thank You!
