It's Up To You

Laugh a little, sing a little, as you go your way
Work a little, play a little, do this every day.

Give a little, take a little, never mind a frown,
Make your smile a welcome thing, all around the town.

Laugh a little, love a little, sky's are always blue,
Every cloud has a silver lining, BUT, it's up to you.

SPECIAL NOTE: The Board had a guest speaker from the Walford and she advised that she would be available to do a presentation on downsizing and transitioning to moving into a retirement home. She also would be available to do a presentation on elder abuse and fraud. We would have the presentation open to anyone and it would be on a Friday. Let us know if you would be interested in this.

Craft sale will be **Saturday, November 16, 2024**. Lottery tickets will be available soon - there will be 3 prizes: a quilt from the quilters, a shawl from the weavers and a cash prize. Tickets will be 3 for \$5.00.

Let's see if we can make you laugh:

1. A postman is working on a new beat. He comes to a garden gate marked BEWARE OF THE PARROT! He looks into the garden and, sure enough, there's a parrot sitting on its perch. He has a little chuckle to himself at the sign and the parrot there on its perch. He opens the gate and walks into the garden. He gets as far as the parrot's perch, when suddenly, the parrot calls out: "REX, ATTACK!"
2. You know you're getting older when:
 - Your knees buckle and your belt won't.
 - Your back goes out more than you do.
 - You sink your teeth into a steak, and they stay there.
3. It was a woman's first time on a plane. She boarded the aircraft and found herself a window seat at the front of the plane. After she had settled in, a man came over and insisted she was in his seat. She ignored him but he continued to hover over her, so she told him to go away. "OK" replied the man, "if that's the way you want it, you fly the plane."

Thank You!
